INFORMATION ABOUT FEES

Please note this practice does not bulk bill for consultations by the doctors, you will be required to pay for consultations. Pensioners are billed at discount rates.

All Ultrasounds are bulk billed for Medicare eligible patients with a current Medicare card.

For all operations

For arterial operations pensioners will be offered services as a no gap service. All other patients will be offered quotes prior to any procedures except in the event of an emergency.

For all varicose vein procedures charges will apply and quotes will be provided.

Please note that patients treated in the public hospital are done in a strict order of priority, **being privately insured will not give any preference in the public hospital for treatment.** Long waiting lists may apply and the public hospital admissions department is in charge of their waiting lists.

Please note that anaesthetic fees are entirely separate to any billings from Northern Sydney Vascular, contact numbers for the anaesthetists can be given for quotes to be obtained and we strongly suggest that contact is made prior to surgery so that quotes may be obtained from the anaesthetist.
